The following is an examiner's statement of reasons for allowance:

The closest prior art is that of WO 95/28984. The device has an a scleral surface, a orbital surface, and a fluid passageway in communication with an injection port. The patent however lacks an opening which communicates with the outer surface of the sclera.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Carlos A. Azpuru whose telephone number is (571) 272-0588. The examiner can normally be reached on Tu-Fri, 6:30 am - 5:00 pm.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Thurman K. Page can be reached on (571) 272-0602. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.

Continuation of Substance of Interview including description of the general nature of what was discussed: It was observed that although the wrong paragraph was used in the obviousness-type rejection, and should have not referred to In re Shneller, and should have only dealt with why the claims were obvious in view of the copending application claims. This was due to a typographical error, but the rejection was intentional. Mr Lee agreed to file a terminal disclaimer in the copending case. This application can therefore proceed to allowance.
